(No comparable info for last season)

The incremental fine system introduced this season with escalating penalties has been utilised against 13 individuals to date.

5 teams are into double figures in terms of team disciplinary points, with two teams now deducted league point(s). Any teams nearing the 20 point threshold (i.e. 10+ disciplinary points) that leads to an automatic deduction of league points will have been sent an email to bring this to their attention.

There are 5 teams without any disciplinary points to date:

- FoWS Juniors
- Norpol
- Newcastle College Griffins
- Oxclose Marvels
- Benfield Lions

The Disciplinary Committee review all referred cases quickly and agree outcomes before issuing their decision. They have all confirmed that they are prepared to stand again at the AGM for next season, although expressions of interest from any individual are welcomed to act in a shadow or support capacity.
